

# DECCAN Chronicle

## Campus buzz

- Round table of India and Mart 100 in association with Survival Instincts – an authorised provider in India for American Red Cross health and safety training programs is organising a rally to create awareness on women safety on November 23<sup>rd</sup> in commemoration of United Nations – International Day for Elimination of Violence Against Women. They will be performing a 15-minute mime show highlighting the issues faced by women while they commute in public transport.
